

If you have lost your pet, follow this checklist from Anthem Pets Animal Rescue.

- ♥ Visit the Maricopa Animal Care & Control website: <https://www.maricopa.gov/162/Lost-Found-Pet>
 - ♥ Register your pet on the Petco Lost Love website: <https://petcolove.org/lost>
 - ♥ Fill out an Anthem Pets Lost Pet form: <https://form.jotform.com/41287412301141>
 - ♥ Contact your current and former veterinarians and make sure they have your up-to-date contact info.
 - ♥ Contact local emergency vets. If your pet was injured it might be taken there. Leave contact information and a description of your pet.
 - ♥ If your pet is microchipped contact the microchip company and make sure they have current contact information.
 - ♥ Contact the breeder or rescue group where you got your pet from. If your pet is found it may be traced back to them and they need current contact information for you.
 - ♥ Rescue groups are a great resource to help search for your pet since they frequent local animal shelters.
 - ♥ Make and post flyers. Drive around your neighborhood and search. If you can't get a clear view of everything, get out and walk.
 - ♥ Talk to neighbors and let them know your pet is missing and how to contact you. Get the word out on social media with a picture of your lost pet and contact info.
 - ♥ Check local animal shelters every day IN PERSON! Only you can truly ID your pet.
- Not only check in your city, check neighboring cities too. Don't give up too early! Pets have been found months after they were lost. Use every available resource!
